Memo No.2428 dated the 8th February 1904 from the Private Secretary to H.H.the Maharaja transferring to this Secretariat, Petition Registered No.1208 dated the 1st Idem from the Pioneer-cherry men to H.H., and requesting to be informed how the case was disposed of.

Flag A.

In connection with the formation of the new Tharagupet in the Western Extension of the Bangalore City, a portion of the old Pioneercherry near the Fort was acquired in 1891 and the huts in the locality were demolished and compensation paid therefor. Separate building sites were also allotted to them near the late Hand's Soap Factory on the Mysore road, the residents of Chamarajpet having raised objection to the Pioneer men building houses very near their quarters, the Deputy Commissioner proposed to utilize for the purpose the land belonging to the Military Department near the old Barr Lines. But the Chief Commandant stated, on a reference to him, that the land could not be spared for the purpose without inconvenience to the Barr men. Besides, the land itself was pronounced by the present First Councillor to be unsuited for building purposes, being low and insanitary. In the meantime, the residents of Chamarajendrapet having approached His Highness with a petition protesting against the grant of

the sites to Pioneercherry men near their quarters, the Dewan inspected the locality and found the petitioners' grievance a real one. He was, therefore, pleased to suggest another site between Messrs Arbuthnot and Co's Tile Works and the Police Station on the Mysore road which was agreed to by the Councillor. That land was accordingly ordered to be acquired and allotted to Pioneercherry men on the 31st January 1903, and the matter was also brought to the notice of His Highness by the Dewan on the 2nd February 1903.
